

Job Title: PSV/ HGV Mechanic/ Technician

Location: Keynsham

£/ Hour: £18.53 per hour

Job Type: Full- time

Job Description:

Bath Bus Company is looking for a skilled PCV/ LGV Mechanic/ Technician to join our small Engineering team at Burnett. Bath Bus Company operates open-top bus tours, airport services and contract and private hires. The company is part of RATP Dev.

The successful candidate should be enthusiastic and flexible, fully qualified as a Skilled Mechanic/ Technician with some previous experience, and preferably with knowledge of PCV/ LGV vehicles. The role involves working 40 hours per week, including some weekend working, on a rota basis. Typical shifts comprise:

Early Shift: 06:00 - 14:00

Day Shift: 08:00 - 17:00

Late Shift: 14:00 - 22:00

Responsibilities include:

Diagnostics and vehicle repairs, servicing and parts replacement

Analyse vehicle faults and specify the correct method of repair and parts to be used

Attend on-road vehicle breakdowns and failures.

Prepare vehicles for MOT inspection

The successful candidate should:

Hold a minimum or equivalent Level 3 NVQ standard (i.e. City & Guilds Level 1 & 2)

Have the ability to multi-skill within an Engineering environment and be flexible

Ideally have experience of working with buses or other heavy vehicles

Hold a valid PCV driving licence

Be able to work in cooperation with other engineers and driving/ operational staff
